Evening, Just waiting for Jon
(Ryan, Vince, and Kirsten are out tonight for various reasons)

Jon Light 8:04 PM

Sorry here

jess 8:04 PM

Move to open?

Jon Light 8:04 PM

Second

jess 8:06 PM

Hey everyone, thanks for being here. Everyone has been doing a FABULOUS job this season. Kudos to you all. I don't have much tonight.

Mainly, I may have a new bar; it's the gridiron near Racheal and I. It's not a brewery. It's an actual bar with a kitchen. I think their owner is a big Union fan. I have to do some research.

That's it for me.

Questions?

Mike Blankemeyer 8:07 PM

Nope

jess 8:09 PM

@Mike Blankemeyer how are the remaining away trips looking?

Mike Blankemeyer 8:09 PM

Atlanta tickets are distributed 43 people going. LA Galaxy just ended.

Nashville ends soon. Philly sports trips pure up the package for New England \$649 non - sob \$629

That's about it for me

jess 8:10 PM

Thanks Mike! @Jon Light anything for tonight?

Tie dying seemed like a hit

Jon Light 8:11 PM

Nope not really tie dye went really well. I plan on tie dying the remaining kid sizes and ones for shipment tomorrow and shipping all orders possible on Wednesday. I bought another tie dye kit to do those. Keep pushing summer collection stuff @Kirsten

Thanks to Racheal for helping!

Robert 8:12 PM

@Jon Light, I was thinking of an idea for a shirt. Did we look into a Neon light design? Like the JF like a neon sign?

jess 8:13 PM

Thanks Jon, @Erick Jusino, what have you got?

Erick Jusino 8:16 PM

8:16

Hey gang

Pints Fur Pets:

2SP is giving us the green light for Pints Fur Pets, Date & Time is TBD (based on what feedback I get from youse) what time do you guys think we should do this? I was thinking either a late lunch or early dinner like 1-5 or 2-6?

jess 8:18 PM

1-5

Erick Jusino 8:18 PM

(oh and PS, OPEN TO BRINGING STUFF FROM OUR OWN SPONSORS)

8:18

- I'm getting this one catered, we can save so much money per person just going the catering route and I forgot I used to be a chef and used to cater for a few years.

- I got blown up with suggestions and recommendations from many people for charities and shelters, more than ANY charity event we've done so far, but I had to make an executive decision here based on most immediate needs and proximity. I'm choosing ACDC, The Animal Coalition of Delaware County for the collection drive and Philly Bully Team for the fundraising, both are likely bringing a few adoptable animals and 2SP have done these kinds of events before and will accommodate spaces for all of this.

jess 8:18 PM

Remember, we are always there for at least an hour after the event.

Erick Jusino 8:18 PM

That is true, they close at 8 so the farther away from that the better.

jess 8:20 PM

Try talking to Allie about a player or two coming out to be a guest bartender.

jess 8:23 PM

Anything else for tonight, Erick?

Erick Jusino 8:23 PM

nope that is all, great work across the board. thanks!

jess 8:23 PM

Thank you! @Racheal Gray?

Racheal Gray 8:24 PM

Numbers are going great on target to hit 2,000 by end of the season currently at 1840

jess 8:25 PM

Love it!

Racheal Gray 8:25 PM

It's going really well!

jess 8:26 PM

Anything else for tonight?

Racheal Gray 8:26 PM

I'm good

jess 8:27 PM

Thank you! @Robert anything for tonight's meeting?

Robert 8:28 PM

Yet another electric evening in Chester. The crowd was pretty good minus the few Messi fans we had to kick out.

8:29

The stadium wide chant was great again with the help of Corey and KSU.

8:31

Ryan was talking about having a volunteer day to get the giant fabric tifo down but he didn't say if he was doing it or not. Hopefully he gets the interns to do it.

Cause that shit was heavy!

Other than that, we prep for the 15th

jess 8:32 PM

Awesome, Thanks Rob

Did I miss anyone?

Kelsey Luckenbach 8:33 PM

Hi

jess 8:33 PM

So Sorry, Kelsey; what do we have for tailgates?

Kelsey Luckenbach 8:33 PM

Great turn out on Saturday! Weather was in our favor, good feedback on the new food items, and that Union win. Thank you Jess and Erick for stepping in at the volunteer spots and helping!

Robert 8:33 PM

The meatballs were on point.

Kelsey Luckenbach 8:35 PM

Thank you, lot of volunteer help with that but I think we'll be able to mix it up more now.

That's it from tailgates now.

jess 8:35 PM

Ok, that should be everyone!

jess 8:37 PM

Does anyone have anything else for tonight?

Erick Jusino 8:37 PM

nope

Robert 8:37 PM

No

jess 8:37 PM

Move to close?

Mike Blankemeyer 8:37 PM

Second, good night happy 4th
